Patient Ordering Platform

PATIENT DIRECT™ by Standard Process®

CATALYN®

SP Standard Process

How It Works

All you have to do is meet with your health care professional to develop a Standard Process supplement plan that is right for you.
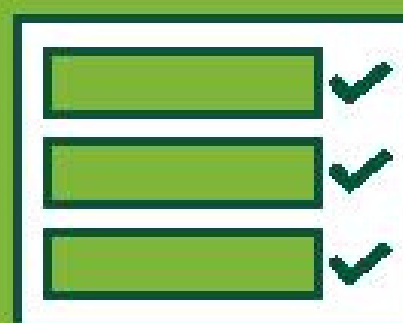

From there, the online purchase process is swift and smooth. When your plan is in place, Patient Direct gives you access to order the supplements you need, when you need them.

Get Started

Code
GVB187

Ask your health care professional for the Patient Direct code.

Go to standardprocess.com and click on "Patient Direct." Complete the application.

Order your Standard Process supplements online, and start on your path to a healthier life.

To Register for a Patient Direct Account

1 Go to **standardprocess.com**.

2 Click on "**Patient Direct**" or "Register for an Account," which is at the top right corner of page.

3 Scroll down click on the "Register" button in the patient area.

4 Read the **terms of use** and enter the six-digit code provided by your health care professional. This code may not be shared with anyone.

5 Complete the application.

6 Check your email inbox. You must verify your email addresss before application can be completed.

7 When your health care professional approves your request, you will receive an email notification.

8 Log in to your Patient Direct account at standardprocess.com and begin ordering.
